To maximize the clarity of all contractual arrangements and to be as transparent as possible in relation to the Lessee, the Agreement contains a comprehensive regulation of the mutual rights and obligations of the Lessor and the Lessee; these General Terms and Conditions are only a supplement to the Agreement to which they follow. In the case of any conflict between the provisions of the Agreement (excluding the provisions of the General Terms and Conditions) and the General Terms and Conditions, the provisions of the Agreement shall prevail.

2. Vehicle Rental

2.1 The Lessor shall enable the Lessee to use the Vehicle on the basis and under the conditions set out in the Agreement concluded between the Lessor and the Lessee. The Lessee undertakes to use the Vehicle on the basis and under the conditions set out in the Agreement concluded between the Lessor and the Lessee. The Agreement is concluded for a definite period, starting from the day

and hour specified in the Agreement with termination at the time of expiry of the agreed rental period.

2.2 By signing the Agreement, the Lessee undertakes to pay the Lessor for the use of the Vehicle in cash or non-cash rent and fees in the amount and in the manner specified in the Agreement.

2.3 The rent does not include the costs of fuel, cleaning and washing of the Vehicle, a foreign highway stamp (if the Lessor has given written consent to use the Vehicle abroad), fee for exceeding the daily mileage limit (unless an unlimited daily mileage limit has been agreed), as well as other costs related to operation of the Vehicle not expressly stated in this article of the General Terms and Conditions or in the Agreement.

3.2 The deposit is intended for the payment of any debts of the Lessee from the Agreement. The Lessee explicitly agrees that the Lessor is entitled to unilaterally set off the deposit for the payment of rent, fees, contractual penalties, damages, fines imposed by state administration authorities or the Police of the Czech Republic and other receivables of the Lessor under the Agreement, in accordance with the Agreement.

3.3 The Lessor shall return the unused deposit to the Lessee no later than within 30 days from the termination of the rental relationship unless the Vehicle has been damaged. If the Vehicle has been damaged, the Lessor will return the deposit to the Lessee (part thereof) no later than 90 days from the end of the rental relationship.

3.4. The Lessor may require the Lessee to consent to pay in form of a late charge payment of up to CZK 100.000, by which the Lessee permits the Lessor to satisfy its claims against the Lessee resulting and relating to the Agreement from the Lessee's credit or debit card.

4.8 The Lessee must not wash the Vehicle in a brush washer or to wash the Vehicle by any other contact method, as the unprofessional or careless washing and cleaning or the use of unsuitable washing and cleaning products and tools would cause irreversible damage to the paint of the Vehicle or its interior and thus reduce the value of the Vehicle. In order to comply with the Lessee's obligation to maintain the Vehicle in the condition in which it was handed over (e.g. in warm weather it may be impossible to remove insect soiling after a certain period of time), the Lessee is obliged to wash the Vehicle in a non-contact car wash or by himself using a WAP high-pressure

9. Cancellation Policy - rental of holiday vehicles during the summer season

The reason is the increased interest of clients in holiday vehicles in summer, when their orders are usually realized well in advance and for a longer period, and thus the cancellation of the holiday vehicle order in the summer season is associated with greater losses for other companies.

- 9.1.1 If the Lessee cancels a holiday vehicles order in the summer season **more than 7 days** before the start of the agreed rental (agreed time of taking over the Vehicle), the Lessee will be charged a cancellation fee of **2,000 CZK excluding VAT** to cover the Lessor's administrative costs for order cancellation.
- 9.1.2 If the Lessee cancels a holiday vehicles order in the summer season **between 7 days and 48 hours** before the start of the agreed rental (agreed time of taking over the Vehicle), the Lessee will be charged a cancellation fee of 50% of the rental fee (at a bonus rental fee, if agreed), but for a maximum of 14 days of holiday vehicle rental.
- 9.1.3 If the Lessee cancels a holiday vehicle order **less than 48 hours** before the start of the agreed rental or **after the agreed time of taking over the Vehicle**, the Lessee will be charged a cancellation fee of **100 % of the rental fee** (at a bonus rental fee, if agreed), but for a maximum of 14 days holiday vehicle rental. The deposit will be reduced by the amount specified in Article 9.1.1, 9.1.2 or 9.1.3 of these General Terms and Conditions and the rest of the deposit will be returned to the Lessee within 30 days from the date of cancellation of the order. If the amount of the deposit is lower than the amount of the cancellation fee, the Lessor retains the deposit in full. Art. 8.4 of these General Terms and Conditions shall apply mutatis mutandis.

9.2 If the Lessee (or a person acting on behalf of the Lessee), after signing the Agreement, breaches the obligation to sign or provide any of the documents provided for by the Agreement (e.g. to issue a secured promissory note, or to conclude agreement on a promissory note filling right), the Lessor has the right to withdraw from the Agreement. At the same time, clauses 9.1.3 of these General Terms and Conditions shall apply mutatis mutandis and the Lessee shall be obliged to pay a contractual penalty in the amount specified in clause 9.1.3 of these General Terms and Conditions.

10. Final Provisions

10.1 If the term Lessee is used in the Agreement or General Terms and Conditions, the relevant provisions apply mutatis mutandis to persons to whom the Lessee has provided the Vehicle for use under the Agreement or subsequently with the prior written consent of the Lessor but bears full liability for any damages caused by this person.

10.2 The General Terms and Conditions are governed by the laws of the Czech Republic, in particular Act no. No. 89/2012 Coll., Civil Code, as amended.

10.3 Any disputes arising from this Agreement may be settled out of court. Pursuant to Act No. 634/1992 Coll., on Consumer Protection, as amended, the out-of-court settlement of consumer disputes between the Lessor and Lessee is entrusted to the Czech Trade Inspection Authority (hereinafter "CTIA") - www.coi.cz. The out-of-court settlement of consumer disputes is free of charge and the associated costs are borne by the parties themselves. The out-of-court settlement of consumer disputes will be initiated on a petition by the consumer, which must contain the particulars that, together with the petition form and other information, are available on the CTIA website (<https://www.coi.cz/informace-o-adr/>). The consumer may submit a petition to initiate the out-of-court settlement of a consumer dispute no later than 1 year from the time it first exercised its right with the entrepreneur.

10.4 If a provision of the Agreement or these General Terms and Conditions is invalid or inapplicable or becomes invalid or inapplicable, this shall not affect the validity and applicability of the other provisions.

10.5 The General Terms and Conditions can only be changed in writing.

These General Terms and Conditions shall enter into force and effect on 10. 12. 2022.
